Health and Safety Program (OL 28-80)

1. Pursuant to discussions held with the Acting Deputy Director for Administration (A/DDA), and in accordance with the objectives of referent MBO, I am establishing a Safety and Health Committee comprised of the below members. The Committee will be tasked to review current safety and health standards within the OL and to prepare an appropriate Health and Safety Program, tailored to the needs of OL, which clearly meets the standards and objectives of the Occupational Safety and Health Act of 1970 (OSHA). The Committee should also be prepared to submit a summary of all specific achievements which can readily be incorporated into the annual OL OSHA report.

Deputy Chief, Supply Division, OL  
Deputy Chief, Logistics Services Division, OL  
Deputy Chief, Real Estate and Construction Division, OL  
Deputy Chief, Printing and Photography Division, OL  
Assistant Executive Officer, OL

2. The Committee will be chaired by a member elected from its midst and be guided in its efforts by the referenced MBO, a copy of which I have attached. The ultimate goal is

to promote and encourage health and safety awareness and ensure that OL personnel are provided with a working environment free of safety and health hazards. I would suggest that the Committee convene on 14 November at 2 p.m. in the Supply Division Conference Room to establish basic ground rules and begin formulating plans to meet the objectives of referent MBO. Representatives from the Office of Security and the Office of Medical Services will be invited to attend and discuss their respective roles in the overall Agency safety and health program.

3. The coordinator for the implementation of this MBO

Proposed Objectives

Office of Logistics

NUMBER: OL 28-80

SHORT TITLE: Health and Safety Program

STATEMENT OF OBJECTIVE: To develop and implement a Health and Safety Program within the Office of Logistics which meets the objectives of the Occupational Safety and Health Act of 1970 (OSHA), the standards developed by the Secretary of Labor, existing executive orders and federal regulations, and the Provisions of HR 12-1 to assure safe and healthful working conditions for all employees.

EXPLANATION: This objective will focus on formalizing existing health and safety procedures and implementing new procedures to form a comprehensive Health and Safety Program within the Office of Logistics.

COORDINATION: This objective will be coordinated with the Office of Medical Services and the Office of Security to insure compliance with Agency objectives.

GOAL: The goal of this objective will be threefold: To assure a working environment free of safety and health hazards; to provide adequate safety and health training to personnel; to make employees aware of their rights and responsibilities under OSHA and the Agency Safety and Health Program.
